

# General Info

## **What are the dates for this year's River Trip?**

**June 26th – 28th 2026...But you can arrive as early as Wed. June 24th!**

## **How much does it cost to attend?**

Event Passes are \$100 per person for Friday - Sunday, any days before is an extra \$40 per person per day. If you buy your passes when you arrive to the campground there will be an added \$10 per pass.

## **What does the price include?**

Event Passes include tent camping for Friday & Saturday nights, use of all the campground's amenities, and all the fun each day & night!

\*RV sites and Cabins have different price points but all include Events Passes for Fri & Sat for 2 people.

## **Why do we have to RSVP on the KOS website?**

People like to see who is going and where there from. It's also a great way for people to connect before the trip! The event is listed on many social platforms and LS websites.

## **Is there a "Day Pass" to buy if we are staying offsite?**

We have finally reached an official policy for those not camping (staying at a hotel or off-site cabin).

### **Day Passes are per person (Online):**

Fri or Sat ONLY (or any single day)...\$45-55

Fri & Sat...\$75

Thur-Sat...\$85

Wed-Sat...\$95

### **Day Passes are per person (At The Gate):**

Fri or Sat ONLY (or any single day)...\$55-65

Fri & Sat...\$85

Thur-Sat...\$95

Wed-Sat...\$105

\*By getting your Day Pass you will not have to leave the party early like in years past, you can stay till 2AM. So, this means everyone must check in at the main gate to get your wristbands!

## **Is there a place at the campground to eat and buy stuff like ice?**

Yes...The campground has a grill that is open Thur-Sun and sells stuff like breakfast tacos, burgers, bbq, and fajita tacos. The office has a bar with pool tables and sells some basic supplies like sun screen. And yes, they sell a lot of ICE!

## **What activities will there be on the trip?**

There is always something happening day and night! Check out the weekend line up.

## **Is nudity allowed in the campground or the river?**

In the campground, during the day, we ask to please limit the nudity (no nudity is allowed anywhere that is in view of the grill, store, office, or day trippers)... The campground is still one of the biggest outfitters on the river so there will be people who come to float the river during the day. At night you can be a little more liberal. Just remember, this is NOT a nudist campground and please do not treat it as so. In the river women may be topless but please be respectful of young ones floating through our area of the river and lower yourself out of view or turn away from their direction.

## **Can we have sex in the open?**

This is a little tricky...yes and no. During the day I would say why risk it...and I hate to have to say this to adults but it's a problem every year...NO SEX OF ANY KIND ON OR IN THE RIVER DURING DAY LIGHT HOURS!!! As for night time, as long as you are within our main camping areas you should be fine...just no need to spot light it for the rest of the campground to see.

## **Are single males allowed to attend?**

Single males are only allowed to attend with a date or with a sponsored couple. If with a date they are to conduct themselves and will be treated like any other couple. If he is sponsored by a couple, he is the responsibility of that couple for the weekend and if he is asked to leave, they in turn will be too. So, couples be warned... Also, the sponsoring couple must contact us ahead of time with the name of the single male they will be sponsoring. Couples can only sponsor one single male.

## **Can we order t-shirts this year?**

Yes. Follow the link on the River Trip's home page.

## **What is the refund policy if we have to cancel?**

There are no refunds, but we do offer event insurance when you book online.

# **Camping**

## **Do we need to call Mountain Breeze Campground to reserve a spot to tent camp?**

No. The entire campground has already been reserved for our group.

## **How do I know what campsite in the campground is mine?**

The tent camping area is first come first pick. We do not reserve an area for each person and do not go by Mountain Breeze's campsite map. Basically, when you arrive you pick an area that's to your liking and available then set up your camp.

## **Is there electricity and water for tents?**

There are shared electrical outlets throughout the tent camping area but no water. There are a few water outlets in throughout the campground but just not at every site.

## **Can you run an AC in your tent?**

We strongly discourage the use of AC's in the tent camping areas. The circuits really can't handle the load. This also includes fridges, or freezers of any kind (lights, fans, radios are ok). If we start blowing breakers and one of those items are found, everyone on that circuit will be asked to remove them and store them in your vehicle for the remainder of the trip. You can use a small whisper quiet inverter style generator like a Honda that cannot be heard from 15 foot away in the tent camping area.

## **Can I hold a spot next to me for a friend?**

You can only hold a spot for a friend if you have the friends' tent (NOT A POP UP) and set it up for them before they arrive.

## **How big are the tent sites?**

Tent camping space is not determined by the Mountain Breeze camping site map on their website. Traditionally we can get 3-4 tents per site. This way we maximize the space to accommodate everyone. We prefer to limit every couple to one tent and one popup (20'X20' Area).

## **We are bringing an RV how do we reserve a site?**

All RV sites can be reserved on our website.

## **Is there full hook up RV sites?**

Yes. We have 30 Amp & 50 Amp with electricity and water hook ups (some Full Hook Up with sewer), along with self-contained sites (generator needed).

## **Can we park our RV where ever we want when we arrive?**

No. A KOS staff member will point you to your spot.

\*In Self-Contained RV camping mostly, we begin at one end of the field and fill in the next hole as everyone arrives.

\*\*\*WARNING\*\*\*

If you arrive after 6PM Friday your RV may not be park into a spot until after the Swinger Olympics & Wet T-Shirt contest are over! So, If you plan to arrive with an RV please try to arrive early.

## **Are the full hook up RV sites near the party area?**

No areas of the campground are very far from any another area.

**Are there cabins available to rent?**

Yes! Cabins feature at a minimum a full-size bed, AC unit, picnic table, and fire pit. Some have more amenities.

**Are there any cabins or hotels nearby?**

There aren't any hotels very close but there are places nearby that rent cabins. Click on Offsite Lodging on the trip's web page. But no matter where you stay off site Uber is available to you.

**Last year there was a company that rented tents and set them up before you arrived. Will that be available again this year?**

Yes!... Go to the trip's Bookings web page.

**Are dogs allowed at the campground?**

Only official ADA Service dogs are allowed at Mountain Breeze Campground per the owners' request. Dogs are allowed at the sister campground Soggy Dollar.

**Are golf carts allowed at the campground?**

Yes...Golf carts and mules are only allowed. SXS, 4 wheelers, dirt bikes, and mini bikes are NOT!
